## Customer Reviews

Good score... the English translation is not bad.

If you are looking for a more accurate translation, this edition is not for you!

An ordinary DOVER Editions Vocal Score, but.... there is NO original German Text... Only the English translation...The description says: "This authoritative vocal score contains a complete piano reduction of the score and an English singing translation of the text" I find this to be unclear as to whether or not there is (as in many other scores) both the Original text and Translation...

Is not clear that the Vocal Score have the text only in English. (Without the original Language: German) Thank you.
