DK Eyewitness Travel Guide: South Africa

Synopsis

From the wilds of Kruger National Park, to cosmopolitan Cape Town, to the lush western cape winelands, to the stunning beaches along the Garden Route, this guide leads you straight to the greatest attractions this fascinating and varied country has to offer. Get insider tips on everything from the best shopping, restaurants, and hotels, to outdoor activities such as whale-watching, surfing, and hiking, as well as practical information on how to get around. As a bonus, a comprehensive field guide—which includes the birds of South Africa—helps you get the most out of your time on safari.

Discover DK Eyewitness Travel Guide: South Africa.

- Hotel and restaurant listings and recommendations.
- Detailed itineraries and "don't-miss" destination highlights at a glance.
- Illustrated cutaway 3-D drawings of important sights.
- Floor plans and guided visitor information for major museums.
- Free, color pull-out map (print edition) marked with sights, a selected site and street index, public transit map, practical information on getting around, and a distance chart for measuring walking distances.
- Guided walking tours, local drink and dining specialties to try, things to do, and places to eat, drink, and shop by area.
- Area maps marked with sights and restaurants.
- Detailed city maps include street finder index for easy navigation.
- Insights into history and culture to help you understand the stories behind the sights.
- Suggested day-trips and itineraries to explore beyond the city. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: South Africa truly shows you this country as no one else can.

Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." — Chicago Tribune
"The best option" — Color photos, maps, and diagrams bring the place to life." — The Philadelphia Inquirer

About DK Eyewitness Travel Guides: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more. DK Eyewitness Travel Guides: the most maps, photography, and illustrations of any guide.

Like other DK Eyewitness travel guides I've bought over the years to plan my vacations, their South Africa guide is another must read prior to travel. Of all the places I've traveled, I had the least understanding and knowledge of South Africa, and the DK travel helped me immensely - along with internet sources of course. It follows the exact same format as other DK guides, so if you're familiar with them and liked that format, you'll love this book as well. The guide is organized as follows: An excellent overview of the country and regions, followed by in depth details of each region along with reference codes to regional maps provided in each region, which I find very, very helpful. You always know where you are in the country and region as you follow their discussion in the guide. And as with all other DK Guides, they do an exceptional job of providing beautiful pictures for illustrative purposes. The old adage of a picture is worth a thousand words rings very true in my opinion. DK does the best job of effectively using pictures in my opinion. Then there are sections

covering where to eat, where to stay and essential travel tips such as health issues, safety, currency, transportation, etc. All in all a very useful guide which I believe provides the best basis for you to further delve into more specific details from web site links provided, or good old Google. But reading the guide before hitting the internet will save you a lot of time - or at least it did for me. The only reason I didn't rate it a full 5 star is because compared to other DK Guides, it was not quite as complete and I think could have provided a bit more information on some of the less famous National Parks and wildlife preserves. Although most of us think of wildlife first when thinking South Africa (or Africa generally I suppose), there is a ton of other things to see and do, especially along the coast from Port Elizabeth to Cape Town and parks within 100 miles of the coast. Stunningly beautiful scenery. Oh, and finally, I would say this is a great read and opportunity to learn a ton about this diverse and beautiful country even if you have no plans to travel there.

As all DK books, this had gorgeous photos, and was well laid out with lots of interesting sidebars. This was the one book we kept pulling out during our vacation, which covered large portions of the Kruger, Mpumalanga, Gauteng, Northern Cape, KwaZulu Natal, Free State, and Western Cape. This book was always ready to help us decide where to stop/see.

We were turned onto DK guides by fellow travelers to Italy a couple of years ago. Now we buy DK guidebooks whenever we're planning our next voyage. These guides show you what you'll be able to see and do as well as tell you. After all, most people learn more easily from photos and illustrations than they do from simply reading text. The South Africa guidebook is no exception. Lots of great detail in a region-by-region format. And once we're there, we'll be able to follow along as our human guide covers the same ground as our paper guide. What fun!

we have been to South Africa, and wish i had this book then. a nice addition to the books i have. offers good details, place to go, stuff to see. great pictures, always a plus

Eyewitness Travel Books are always good with tons and tons of pictures. I've never found better travel books. Wish they would hurry up and make a Madagascar book.

This book has already been quite helpful in our planning for our upcoming trip to Africa. Lots of great pictures. Always be sure to get the latest edition of the guides.

totally helpful. a classmate suggested I get this book. Beautiful pics also!

This travel guide has a lot of photos, descriptions of animals, information about history, and recommendations for lodging, eating, shopping, and activities. It tries to cover everything, but it is a small book so it doesn't have a lot of listings for each town.
