Floral Dreams: 68 Pages Of Flowers, Insects, Mandalas And More To Color

Synopsis

Do you love coloring flowers and mandalas? Look no further! Artist Tabitha Barnett has created yet another beautiful coloring book for all ages with the perfect combination of both. Inside of Floral Dreams there are more than 60 beautifully hand drawn illustrations to color. Coloring is a wonderful way to relax. More and more adults are discovering the therapeutic benefits of coloring every day. Get in on the trend! Each of the illustrations is printed on only one side of 60 lb. bright white paper. 12 of these illustrations are printed on black background. Get the value of two books in one with this HUGE coloring book! With 68 pages to color, you will enjoy this book for a very long time. The pages are NOT perforated, but that is easily solved with an X-ACTO knife and ruler. Get your comfy clothes on, relax and get your color on! Order your copies today!

Customer Reviews

This book is lovely, as are all of Tabby's coloring books. Her drawings seem to be especially appropriate for shading, gradient, and sculptural effects. Each time I think she's outdone herself, she comes up with another book that transcends the last one. This one is especially lovely. Her books are printed on one side of the page only. The art is well-defined line work that is easy to see, but does not overwhelm the coloring potential. Some pages do have a black background to make the color pop, but there are also white pages with the same designs so you can choose or try both the white and dark backgrounds. The design on the cover of this book is typical of her drawings and

was colored by her so you have an idea of what the artist had in mind for coloring her drawings. She also offers an excellent tutorial on how to create gradients/sculptural effects as seen on the cover of this book. I recommend all her books; pictures range from simple/easy to color to very complex.

I Love - Love ; Love this book! One of the things I like the most about Tabitha's books are there is usually no repeats of pages from other books! Her pages are full with lots of choices to make. i believe this book is well worth the money! Order yours today!!

Just lovely, thank you for the great quality.

Nice!

Love the picturesjust wish the book was printed on heavier paper !!!

I have purchased many of Tabitha Barnett's coloring books, and I love all of them! Of all of her coloring books, this one is my very favorite one! The lovely floral designs with birds, bees, butterflies, frogs etc. are exquisite! When I first looked through this book, I could not decide which picture to color, they are all my favorites! The mandalas as well are awesome, and no repeats of anything in any of her other coloring books, each one is very original! I recommend this book to all colorists, I promise you will love it. Attached below is the first picture I colored from this book!

I always enjoy books by Tabatha Barnett. They are always fantastic. I love this one with the beautiful floral designs. I like that the designs included are both medium easy and some are a little more difficult. I would highly recommend this pretty coloring book for all the colorers out there. :-)

This is an incredible book. I love all the pictures in this book. Everyone of them is a delight to color. They are cheerful and flowery and very lovely.
