A Guide Book Of United States Coin 2018: The Official Red Book, Large Print Edition (Guide Book Of United States Coins)

Synopsis

The Official Red Book—A Guide Book of United States Coins—is 71 years young and going strong. Collectors around the country love the book's grade-by-grade values, auction records, historical background, detailed specifications, high-resolution photographs, and accurate mintage data. How rare are your coins? How much are they worth? The Red Book tells you. Covering everything from early colonial copper tokens to hefty Old West silver dollars and dazzling gold coins. You'll also round out your education in commemoratives, Proof and Mint coins, error coins, Civil War tokens, Confederate coins, private gold, and all of the latest National Park quarters, Presidential and Native American dollars, Lincoln cents, and more. Articles on investing, grading coins, and detecting counterfeits will make you a savvy collector; and entertaining essays on the history of American coinage, shipwrecks and hoards, and the modern rare-coin market give you an inside look at "the hobby of kings." These are just some of the features of the informative, entertaining, invaluable Red Book—the world's best-selling coin price guide with more than 23 million copies sold.

Very detailed information. Great book for the novice and the true collector.

Excellent ref manual with larger print a big plus.

just what the doctor ordered.

A gift for my husbands' birthday, he really liked it. Started using it right away!

Great information

perfect

nice to have a larger print book.

good deal
