Create The Suspense Film That Sells: For You, The Producer, The

Synopsis

This book deals with the suspense of "who done it?" "why done?" and "how done it?," structure, story line, characterization, cinematic expression and interpretation in the suspense genre. In addition, Create the Suspense Film That Sells gets specific about financing, distribution and/or selling the suspense film. While many books deal with general filmmaking, this book concentrates on the suspense film, and it features the full script (including notes relating to advice given through the book) of Frozen Scream, a theatrically exhibited feature film (21st Century Distribution Corporation, New York) available in video stores (Blockbuster, etc.) to illustrate the points the author wants to drive home. Create the Suspense Film That Sells is targeted to filmmakers and film students, and is the only book on the market that deals exclusively with suspense films.
